Please choose how you would like your money invested. You can choose an investment strategy that applies to both your **existing balance** and **future contributions**. Your existing balance is the balance you already have in the Fund. Your future contributions include SG and personal contributions, deductions and rollovers processed in the future.

Alternatively, you can choose an investment strategy for your **existing balance** and then a different strategy for your **future contributions**.

For example: Existing balance: 100% Managed growth – Future contributions: 50% MySuper; 50% Managed growth.

This means all of the funds you currently have with Prime Super would be invested in the Managed growth investment option, but contributions made in the future would be invested across the MySuper and Managed growth investment options.

Your choices must be in whole numbers and must total 100%. **If you do not complete this form correctly we will be unable to process it.**

SECTION 3 – FETCH MY SUPER

The reality is, if you have ever changed jobs, you have probably **left money behind**. This is your money!

Let us **find it for you**, put it in your Prime Super account, then at least you know where **all your super** savings are!

All you have to do is provide us with your **consent** to do so below. We'll then use the ATO's Super Match facility to find any super you may have then send you the paperwork to sign and send back to us. It's that easy!

Please be aware that this process can take a **number of weeks** so please be patient. We will communicate with you regularly via email to keep you informed. If we don't have your email address on the system, please provide it in the Personal details section.

Tick the box to consent ☒

- ☐ I hereby authorise Prime Super to use my personal details, including my TFN, to search – now and forever – for any lost, unclaimed, inactive or active super I may have with other funds or the ATO, as permitted under the *Superannuation Industry (Supervision) Act 1993 (Cth) and Regulations*.
- ☐ I understand that all of the information I provide – including the TFN held by Prime Super – must be correct before this search can be conducted on my behalf. If the information is incorrect, Prime Super will notify me directly and I will be responsible for updating the information by calling **1800 675 839** or doing so directly via the secure section of the Prime Super website at **www.primesuper.com.au**
- ☐ I understand that the process of finding my super may take some time and it could be a number of weeks before I receive the paperwork in the mail.
